

Re-enactment Weekend Map, June 19-20, 2010

The map below is based on the 2008 event. We will make minor changes in late May.

Visitors: after parking, check the event schedule and on your walk to the Visitor Center enjoy living history in the Continental or British camps. If you are coming for only the afternoon “battle,” allow plenty of time to park, walk to the Visitor Center, and find seating. From the far corner of public parking to the amphitheater is half of a mile.
